winner "under condition" of a place with a scholarship funded by PON "Ricerca e Innovazione 2014-2020" programme, Action IV.4 "Dottorati e contratti di ricerca su tematiche dell'innovazione" and Action IV.5 "Dottorati su tematiche green", under his / her civil and penal responsibility, declares

- 1) To formally commit himself/herself to carry out the foreseen research periods (min 6 max 12) at the premises of a company and/or abroad (where required by the doctoral project) and to be aware that the non-compliance with the minimum undertaking period at the company will result in the withdrawal of the scholarship; where foreseen, the period of mobility abroad must be intended as mandatory and it must be carried out within the first two years of attendance.
- 2) To be aware that revocation of the PhD scholarship with total refund of the amounts paid will apply in case the programme is carried out without complying with the project admitted to funding, if the necessary authorization from MUR has not been previously requested and obtained.
- 3) To be aware that scholarships have an annual duration and are renewed on the condition that the PhD student has completed all the activities intended for that year, as verified by the PhD programme Teaching Committee.
- 4) To be aware that the negative judgement of the PhD programme Teaching Committee and the subsequent non-admission to the following year, will cause the revocation of the sums already paid for the current year;
- 5) To be aware that failure to complete the PhD programme and to obtain the PhD degree will cause the revocation of the scholarship with the refund of all amounts received during the last year of attendance.
- 6) To be aware that it is not possible to be simultaneously enrolled in more than one study programme that leads to the awarding of a degree (Bachelor, Masters or Postgraduate Specialisation - except in the medical sector, pursuant to Article 9 of this Call - short Masters level I or II, or PhD). In case of double enrolment, before the beginning of the PhD programme, he / she will choose one of the two programmes. This choice is irrevocable. Double enrolment is not possible until the end of the legal duration of the PhD programme.
